Colonial

The Annual
of the
Class of 1954

Major Howard W. Beal
Memorial High School
Shrewsbury, Massachusetts

Dedication

The role of the true educator is to teach by example as well as by instruction. Fortunate are we who have experienced a fine blending of these admirable qualities. We have been associated with a person whose friendliness, consideration, and courteous manner have stamped him as a gentlemanly exemplar; whose ability, knowledge, and humane methods have marked him as a true educator.

We can offer but a token tribute of gratitude in acknowledgment of all that he has meant to us.

Proudly then do we dedicate our album of memories, the "1954 Colonial" to . . . —

Class History

We, now the triumphant Seniors, after completing our four struggling but happy years at Shrewsbury High, bring to a close the memorable string of events while "Our Hearts Were Young and Gay" with this our class history.

The year of 1951 brought together eager and ambitious boys and girls meeting to form lasting friendships and to climb each rung of a ladder to the top. We soon adjusted ourselves and elected our officers for the forthcoming year. Larry Murphy was chosen as our able leader, with his associates; Steve Ireland, vice president; Eleanor Gaucher, secretary; and Lois McWay, treasurer. The Student Council representatives were Sally Harrison, Ann Clark, and William Forhan. As timid Freshmen we began to become familiar with the field of dramatics with our first attempt being the Freshman Prize Speaking Contest. Robert Parker placed first with his riotous interpretation of "The Raft," while Joan Schwartz and Charlie Holbrook captured second and third. The first social event of the year was our Freshman Social, which went off nicely under the leadership of our advisors, Mrs. Dawson and Miss Prouty.

September, 1952, rolled around and we were the sophisticated Sophomores, now perched on the second rung toward the top. Under the guidance of our new advisors, Mrs. Cellucci and Mr. Forrest, things began to develop. We elected Carole Flynn as our president; Lois McWay, vice president; Eleanor Gaucher, secretary; and Janet Parmenter, treasurer. The Student Council consisted of Barbara Lougee, Ann Clark, Wayne Norton, and David Ryan. Our main money-making proposition was the selling of "Colonial" banners, with returns very gratifying.

With thoughts of spring so very near and the thoughts of Paris in the Springtime so appealing, our plans for the Sophomore Hop were

centered around this romantic atmosphere. The decoration committee worked hard to turn Nee Hall into a glorious city with the Eiffel Tower skyline and sidewalk cafés. The results were very rewarding, and everyone enjoyed a delightful "Soiree A Paris."

The final get-together as Sophomores was a trip—"Around the World in Boston." Everyone was filled with the delight of Chinese food and thrilled with the sights at the Maparium, Gardner Museum, and Christian Science Monitor Building. Oh, and we mustn't forget the wayward journey on the ferry across Boston Harbor.

September again discovered us as jovial Juniors looking forward to our successful year! We began to advance toward the third rung by electing Bob Sargent president; Richard Meyer, vice president; Eleanor Gaucher, secretary; and David Ryan, treasurer. Student Council members were Sally Harrison, Lois Shaw, Robert Parker, Jeanne Donaldson, and Peter Duguay. Mrs. Cellucci continued as our advisor, with Mr. Lalli succeeding Mr. Forrest. We finished selling "Colonial" pencils of blue and gold. We then livened up the in-between-seasons dances by holding "A Good Luck Frolic," with shamrocks, hats and clovers covering the walls of Nee Hall. Came spring, with Junior Prize Speaking, Carole Flynn captured first prize with her interpretation of "Allow Me, Madam." Marilyn Nachtheim placed second, and Charles Holbrook third. The night of May twenty-second came at last. We had been waiting for this ever since we were old enough to know of dances. Our own Junior Prom! The theme was the Coronation and we think it was every bit as good as the real one. Our queen, Joan Bernard, and her court, Gayle Claflin, Joan Rivernider, Eleanor Gaucher and Janet Parmenter, were crowned with all the dignity and ceremony a queen deserves. With a few more weeks left

in the school year we anxiously looked forward to summer vacation. The weary juniors welcomed a needed rest.

The Class of 1954, ambitious and learned now after a seemingly short wait, were at last Seniors. We were determined to make this year one which would not easily be forgotten at Shrewsbury, and under Mrs. Cellucci and Mr. Lalli's guidance we were destined to make this dream come true. The polls revealed an excellent executive board. Bob Sargent was our able leader once more, with Peter Parker as vice president; Jeanne Dumas, secretary; and Marjorie Garrepy, treasurer. Lois Shaw, Joan Bernard, Jeanne Donaldson, Steve Ireland, and Bob Parker represented the class in the Student Council.

We were faced with problems of raising money for our treasury, so we began by showing our pride in the football and hockey teams at our Victory Dance. This affair was an overwhelming success both financially and socially. Who could possibly have missed an exciting evening after the great record of our football team, once more Blackstone Valley League Champions. Our hockey team deserved equal praise for another fine record.

In November we started rehearsals for our Senior Musicales, "Winter Fantasy," so well suited to New England with evergreen trees, Christmas carols, and a lovely winter background. There were tense, anxious expressions on the faces of the members of the cast on the nights of December 10 and 11. Things went off smoothly, though, in spite of the backstage doors slamming as nervous performers made their exits for changes.

The hustle-packed year of 1954 saw the beginning of our proudest achievement, the "Colonial." Carole Flynn headed the competent staff which worked every spare moment under Mr. Lavelle's guidance. As a class we worked hard

selling ads; preparing the composition of copy, art work, photography, and features; and conferring with publishers in time to meet the deadline. With all the chores behind us, we patiently waited for final copy.

Spring vacation rolled closer; and, after saving our dollars for a long time, we set off for the long anticipated trip to Washington and to New York. Bag and baggage we arrived, to cram every possible event into a few days. The verdant green countryside of Virginia and the fragrance of the cherry blossoms and magnolia trees captured our hearts. The majesty of the buildings in our nation's capitol, especially dear to all Americans, gave us a feeling of pride. Bustling New York, with its 20,000 taxicabs flying back and forth, spelled a wonder to our eyes. But, with so many things to do and so little time, we managed to see only the most important.

Back at school we still had much to finish before we graduated. On class day, there were tears of joy shining in our eyes, and that evening our class banquet filled us with much enjoyment. Graduation night came, and with impatience we waited the receiving of our diplomas for which we had worked so hard and which we would cherish forever. As we sat on the platform looking out into the audience of parents, relatives, and friends, we could not help but think that this was the top of the ladder and that our previous experiences would help form and influence our futures. We didn't really want to graduate now that the time had come. Our events in the past would never be experienced in quite the same way, and yet there would be so many others to look forward to. Whatever each one of us does in the years ahead will be the conclusion of our well-remembered days at Beal, when "Our Hearts Were Young And Gay."

Class Prophecy

The sun was just coming up as the train on which we were riding rumbled across the boundary of Switzerland, and we became lost in the beauty of the majestic Alps. One glance to the left, however, revealed a crumpled copy of a newspaper on the seat beside us. More out of curiosity than anything else, we picked it up and discovered to our surprised delight that it was a fairly recent copy of the *New York Times*, dated April 7, 1964.

Instantly the headlines rose to meet our eyes in big, black letters: "Famed Scientist Cohen Reaches the Moon!" So his inventive genius had finally paid off! Under that startling news was a story about Bob Sargent, Chief of Police in New York City, who had reduced juvenile delinquency in New York by 50% in only two years. There, also, was a picture of Bob Parker, with a caption telling us that he had just been made our permanent delegate to the U. N. Shrewsbury certainly had made its mark in the world! Pete Parker, too, had made the front page, for now he's an eminent senator, rocking Congress with his masterful debating.

We turned the pages excitedly, proud of our famous classmates, only to find more wonders before our eyes. It was reported that Willie Forhan was still asleep in his attempt to break Rip Van Winkle's record. Garage tycoon Frank Martinelli and big businessman Bob Nye had just closed a deal merging their corporations. What's that about a robbery in the drugstore owned by Joan Reed and Janice Linton? Luckily policemen Charlie Cram and Kenny Gaucher got there in time to catch the culprit.

Reading on we saw that engineers Dave Ryan and Tommy Braun had completed construction work for Dave Richardson's ultra modern trans-continental railroad. The next part of the paper was torn, but we managed to see the names Kathy Starbuck and Barbara Adams and something about a plane crash. Remembering that they had wanted to be stewardesses, we searched frantically for the other piece of the paper. When

we finally found it, we breathed a sigh of relief, for they had been heroines in that tragic crash, saving many lives!

Why . . . there was a picture of Carole Flynn, the Chairman of the Board of Education in Massachusetts. It seems she had just been elected president of the National Association of P. T. A.'s. We were pleased to see one of Dickie Meyer's clever political cartoons on the editorial page.

Anxiously we turned to the society page, and there we found Joan Rivernider holding the arm of her escort in a picture taken at an afternoon tea given by Arlene O'Brien. And there was an announcement that Sis Gaucher had just become the proud mother of twins. Right in the middle of the page was a picture of Janet Parmenter and Gerry Shelby, who had been chosen among the top ten best dressed men and women in the country.

We just scanned the marriages, because after ten years, almost everyone we know is married. But wait . . . isn't that Nino Leone's wedding picture? It looks like someone finally caught him and ended his gay bachelor life. We quickly passed on to the gossip column, for who ever passes that by . . . especially in New York? It seems that Carol-Ann Nanigan had been seen making the rounds with a certain young socialite. Jeanne Hayes and her cute antics made the column that week, too. And Maurice Edwards was seen standing in front of his new car—even three feet *longer* than the last one!

Ann Marie Fyrbeck presented her recipes on the women's page, while Nancy White, well-known model, looked stunning in clothes designed by Jo-Ann Catalina. We were very pleased to see that Judy Kallio and Irene Kozlowski had been chosen housewives of the year, and we enjoyed reading the article on child care written by Nancy Soderberg.

Turning the page, we learned the astonishing news that David Firmin and Joan Schwartz

are still cutting up, but in a different way—and they're getting paid for it! That's right—Dave is a famous Barnum and Bailey clown, while Joan has her own T. V. comedy show. And there was a picture of Bob Wysocki, who was promoted to captain in the Air Force. How proud we were when we read that Ralph LeBlanc had broken all existing flight records in his supersonic jet plane.

In the sports section we found an excellent column on major league baseball written by Barbara MacKenzie. Next to that appeared a picture of Tony Granger, the all-American basketball star. On the same page, we recognized Walt Londergan, Jackie Monahan, Mike Vuona, and Art Liljegen in a picture of the victorious pro-football team, "The Shrewsbury Bruisers." There was also a prediction that ski expert Audrey Endicott would take first place in the Olympics this year.

We hesitated to look at the theater pages because we knew it would make us wish we were in New York for at least a few evenings . . . and we were right! For the first thing we saw was a picture of Steve Ireland's jazz-time band, all dressed in elaborate uniforms. We could barely recognize Pete Duguay behind his huge tuba. They were playing at Charlie Morgo's Latin Quarter that week. The article about them went on to say that the band is especially proud of its famous drummer, Bob Clark; and, also featured with them was dancer Annette DiStefano, who'll pack them in every night. The Ice Follies, starring Margie Crowley and her silver skates, was also in New York that week. And, what do you know? Appearing at Carnegie Hall the same week were Barbara Chapdelaine, the famed singing star, and Janis Nelson, well-known concert pianist. In one corner of the page were the Oscar awards for the year; but we just glanced over them quickly, until the name Marilyn Nachthem struck our eye and we looked closer—the most *amazing* actress of the year?

Still in wonder, we turned the page and came upon the book review section. The books we

especially noticed were one by Martha DiBenedetto on "The Art of Conversation" and one by Barbara Lougee on what? . . . "The Adventures of a Forest Ranger's Wife?" That'll surely make the best seller list! There was one by Pete Gonya, too, entitled "How To Get Rich Quick."

Turning another page, a picture of Superintendent of Nurses Betty Beer and her assistant, Gayle Moulton, hit our eye. Why . . . it seems that these girls are well on their way to discovering a cure for one of our most dread diseases. In small bold print next to that we saw that the National Association of Secretaries was meeting in New York. Among those attending were medical secretaries Jeanne Donaldson, Sally Harrison, and Lois McWay. Other expert secretaries there were Jeanne Dumas, Margie Garrepy, Betty Spongberg, and Charlotte Whitney. These secretaries represent the most competent in the country today. Lois Shaw had been elected as their able leader.

Next, we spotted the home arts pages, where we couldn't help but stare at the beautiful painting that had won first prize in the National Exhibition—and under it—Audrey A. Allen. We flipped the page and came upon an interesting article on interior decorating, "How To Do It Yourself" by Gayle Claflin. We admired the picture of the fine display of prize winning vegetables grown by Eddie Holden. We saw that staff photographer Jay Mercer of the *New York Times* was among the winners in a national photography contest.

Eagerly we turned to the comic page, where we laughed until we cried at the hilarious comic strips by Bob Watson and Dick Smith.

We settled back in our seats, pleased with the success of our classmates; and, as we rumbled on through the scenic countryside, the thundering wheels seemed to us to shout again and again . . . "WELL DONE!"

*Time has come for us to leave now,
And we'll go our separate ways;
We must keep on going forward to our goals so far away.

As we leave these halls forever,

*Farewell, farewell, we bid thee sad adieu,
The time has come, dear Shrewsbury High, to say farewell to you.*

The National Honor Society was established by the National Association of Secondary School Principals for the purpose of recognizing students who are outstanding in the qualities of character, scholarship, leadership, and service. Membership in this fine organization is one of the highest honors that may be conferred upon a student.

To be a candidate for membership a student must be in the upper third of his class. Near the close of the school year, in May, seven per cent of the Junior class is elected to the Society by the faculty and the faculty council. Eleven per cent of the remainder of the class is elected in March of the Senior year. After their election, a public installation is held for the new members. At each installation a well-known and successful person delivers a timely address.

The aims of the Society are to recognize the qualities of character, scholarship, leadership, and service; to serve others at all times; to promote mutual friendship; to uplift the entire school by the practice of high ideals; and to prepare its members for a more effective citizenship. With these aims in mind the members of the Society decorate the war memorial on the Common for Memorial Day and give contributions to CARE and other worthwhile organizations. Other activities this year have included several auctions successfully carried out with the aid of our advisor, Miss Sawin.

The members of the National Honor Society are continuously striving to live up to the honor bestowed upon them and continuously working so that someday they may justly accept the praise "well done."

Student Council

OFFICERS

President	Steve Ireland
Vice President	Robert Parker
Secretary	Lois Shaw
Treasurer	Robert Sargent

The Student Council is the official representative of the student body in the high school. The Council is composed of eighteen members, who are elected by their respective classes. There are three freshmen, four sophomores, five juniors, and five seniors plus the senior class president.

The purposes of the Council are to give the students a medium through which they may express their opinions on the many phases of school problems and help in solving the problems, to give the members experience in leadership and democracy, and to promote a better and more friendly relationship between faculty and students.

Under the guidance of the Council are the Junior Red Cross Club, the Traffic Squad, and the Cheerleading Squad. The Council also has charge of the suggestion box and supervises all class and Student Government Day elections. Another big project this year has been the planning, with the Parent-Teacher-Student Association, of a series of dances held in the high school for the purpose of giving the students a place to obtain inexpensive recreation and fun.

The Shrewsbury Student Council sends representatives to the District, State, Regional, and National Student Council Conventions. This year the Council is proud to have Robert Parker as President of the Massachusetts Association of Student Councils and Vice President of the Central Division delegate to the National Association Convention in Portland, Oregon.

Under the capable guidance of Miss Ethel Sawin, faculty sponsor, and Mr. James Cooke, Principal, the Student Council will continue to be the outstanding and efficient representative of the student body in Shrewsbury High School.

Traffic Squad

Co-Captains

Barbara Lougee

David Ryan

This marks the close of another year for the members of the 1953-54 Traffic Squad, the twenty-third, to be exact, since its origin in 1931. But things are not the same as they were twenty-three years ago, for the squad is constantly making changes for the improvement of traffic conditions. Thus it is able to cope with all the new problems which confront it.

The members are elected from the sophomore and junior classes at the end of the year by the National Honor Society upon recommendation by a traffic squad member and the applicant's home room teacher. Then members are assigned to sections where they receive orders from their sectional leaders. Membership in the squad is a service to the entire school and is much appreciated by both the faculty and the students. But of course no report would be complete without thanks to the teachers for their co-operation and assistance, and thanks to Mr. Cooke and Mr. Jacobs for their able work as advisors to our group.

National Forensic League

President	Peter Parker
Vice President	Carole Flynn
Secretary	Lois Shaw
Treasurer	Robert Parker

The National Forensic League is an organization open to all students interested in debating, extemporaneous speaking, original orator, dramatic, humorous, or oratorical interpretations. The purpose of the club is to create ease and ability in public speaking. The experience gained by a person through N. F. L. activities helps him in many ways in his future life. To become a member, one must earn twenty speaking credits. Once a member, the degrees of honor, excellence, and distinction may be earned.

For the third straight year Shrewsbury holds the title of State Speech Champions. The members are hoping to retain this title when they attend the Massachusetts State Speech Tournament this year. Other tournaments that the members attend are the New England District Tournament and the B. U. and Dartmouth Debate Tournaments. The N. F. L. participates in contests with other schools all over New England, and the members rank high as Senators and Representatives at the New England Student Congresses. Last year three Shrewsbury students won the right to attend the National Student Congress. The students who attended were Carole Flynn, Peter Parker, and Harry Williams. This year the debate team, Carole Flynn, Robert Parker, Lois Shaw, and Peter Parker, took second place at Dartmouth College, first at Emerson College, first at Merrimack College, and first at the New England District Tournament, giving them the right to attend the National Tournament this June to be held in Greensburg, Pennsylvania. The N. F. L. also sponsors the annual Richard Fipphen contest and presents varied programs for organizations in the town.

Each year the members work hard to win the right to attend the National N. F. L. Tournament—this year to be held in Greensburg, Pennsylvania. This goal is well within reach with the excellent guidance of Miss Dorothy M. Churchill, advisor of the club and District Chairman of New England; Miss Mary B. Moran, who assists in coaching debate; and Mr. Paul Lavelle, who coaches Constitutional oratory and in many other ways aids the members.

Lambda Tau Sigma of Tri-Hi-Y

OFFICERS

President	Barbara Lougee
Vice President	Carole Flynn
Secretary	Janet Parmenter
Treasurer	Lois McWay

Another year to be recorded in the history of Lambda Tau Sigma and such a successful year! Once again we became affiliated with the Y. M. C. A. as a Tri-Hi-Y club. We have achieved memorable success in many fields with the aid of our slate of officers and, of course, the unceasing work of our advisor, Mrs. Gerald Shelby.

We started our year's activities by inviting all the girls of the high school to a Penny Sale that they might become better acquainted with our organization. Then our efforts were devoted to preparing for "The Snow Flurry," our annual Christmas Ball.

1954 saw the Lambda Tau girls turning their meetings into Work Nights at which time they assisted the Biological Foundation with clerical work.

During spring many special meetings were held such as Alumni Night, Freshman, Sophomore, Junior, and Senior Night, Mother and Daughter Night, and finally our banquet.

Other activities included a Food Sale and a Rummage Sale. Several donations from the proceeds were made to charitable organizations.

Lambda Tau has had a busy as well as a successful year. The members not only gained a satisfaction by helping others but also had many fun-filled experiences.

Hi-Y

President	Robert Defino
Vice President	Glen Sklut
Secretary	David Ryan
Treasurer	Robert Sargent

The Shrewsbury Hi-Y is part of a national organization which includes more than 7,000 Chapters. Hi-Y is sponsored by the Y. M. C. A. as part of its youth program to give young men the correct outlook on life. The aims of the Hi-Y are to help boys to meet the problems of daily living and to train them in good citizenship. Each Chapter, although it is a member of the national organization, has its own constitution and plans its own programs which include speakers, discussions of social, religious, and personal problems, and service projects. Also the local Chapters, in conjunction with the nearest "Y," carry out their own recreation programs by sponsoring dances, games, and splash parties.

This year the local club, under the guidance of Mr. Richard Palmer and Mr. Gil Mosher, was completely reorganized with a new constitution. Since this reorganization, the Chapter has functioned smoother and has done much creditable work for the Y. M. C. A.

Town Crier

The "Town Crier", the school's newspaper, is published five times a year by the student body, supervised by the faculty advisors.

The purpose of the paper is to provide an outlet for the various literary and artistic talents of the students. Poets, authors, reporters and artists will find the "Town Crier" willing to print their work.

The "Town Crier" has been received enthusiastically ever since 1947 when it came into existence. When a new issue appears, all signs of work disappear as the students delve into the news, reading the gossip, jokes, stories and news articles.

A good newspaper like the "Town Crier" is the result of hard work. The staff has already been rewarded in that the paper has become a tradition of the school.

It is hoped that the future staff of the "Town Crier" will enjoy editing as much as the staff of 1954.

Much of our success has been due to the untiring service of our advisors, Miss Shea, Mrs. Hamel and Miss Lothrop.

The mixed Glee Club of fifty-four voices holds rehearsals once a week in Beal High School Auditorium. In addition separate boys' and girls' rehearsals are scheduled once a week when a multi-purpose room is available. The group took part in two carol sings in December. The first, for the townspeople, was held on the Shrewsbury Common on December 17, 1953. The other was part of the Beal High Christmas assembly. Two Shrewsbury concert appearances and a trip to Webster for Central Massachusetts Music Festival are scheduled for the second half of the school year.

The band this year totals approximately thirty members who represent grades seven through twelve. Rehearsals are confined to Tuesdays and Fridays during activity period. Sectional rehearsals have been scheduled once a week beginning the second semester. A promising new group of baton twirlers has been organized and is being well trained by Mr. McNamara.

So far this year the band has performed for all the home football games, a P. T. S. A. meeting, a carol sing on the Common, and a Christmas concert for the high school students. Several students were picked from the band to demonstrate band instruments for students in the lower grades. The band will also perform at the March meeting of the Music Parents Association, will present a spring concert in conjunction with the Glee Club and will attend the Central Massachusetts Music Festival to be held in Webster on May 22.

Susan Stoliker and Robert Clark were accepted by audition for the All-State Band and Merle Swan was picked for the All-State Orchestra.

The High School Orchestra is a group composed of some twenty members which rehearses once a week during activity period. This group has performed for the National Honor Society initiation held in March and will also take part in the spring concert and the Central Massachusetts Music Festival.

Junior Red Cross Club

OFFICERS

President	Carole Flynn
Vice President	Barbara Adams
Secretary	Betty Beer
Treasurer	Sally Remse

In past years, our school has had a Junior Red Cross Council, whose membership consisted of a representative from each home room. This year, the council has been changed to a club, and all students in the school had an opportunity to become members.

The aims of the Junior Red Cross Club are threefold: to promote better relations between the peoples of the United States and foreign countries, to help disaster stricken areas, and to make the physically handicapped more cheerful. With the full co-operation of the students, our annual re-enrollment drive was very successful. A movie shown to all the students of the school opened the drive, and enough money was collected to enable us to send a contribution to the National Children's Fund.

During the year we had several projects. One was making soft toys to be sent to the children in Korea. Another was to send albums abroad to tell of our way of life in Shrewsbury. Gift boxes were also filled to be sent to needy school children throughout the world.

Carole Flynn served on the Executive Board of the Inter-High School Junior Red Cross Council, and Barbara Adams and Nancy Flynn were members of the council.

The Junior Red Cross Club has had a very successful year and with much thanks to the untiring service of its advisor, Miss Sawin, hopes to be able to continue the good work next year.

French Club

OFFICERS

President	Robert Defino
Vice President	Paul Kesseli
Secretary	Dawn Tuttle
Treasurer	Judy O'Brien

The French Club was established eight years ago. It is composed of French students interested in furthering their knowledge of France and promoting a better understanding between the American and French people.

The main project of the club is to send several packages, including food-stuffs and clothing, to Eugene Bocher in Brittany, France. The club adopted Eugene shortly after the war, and has carried on a correspondence with him and his family ever since.

Business meetings are held approximately four times a year, during which time we plan club projects and activities. Several movies and sets of slides are also shown during the year.

The club has at present thirty-six members. The success of the club is the result of the tremendous efforts of Miss Gucciardi, our advisor.

Dramatic Club

President	Jeanne Donaldson
Vice President	Sandra Shaw
Secretary	Sally Remse
Treasurer	Barbara McKenzie

Under the guidance of Mrs. Cellucci and Miss Lothrop, the Dramatics Club has had a very successful year.

The purposes of the club are to help its members gain self-confidence in speaking before an audience and to give them experience in stage presentations.

Students seeking membership must be sophomores or juniors interested in dramatics and deemed worthy of membership after the tryouts held at the beginning of the year.

The main project undertaken by the club was the production of a Christmas play, "Too Much Mistletoe." In the spring the members presented a series of skits as a money-raising project.

These productions gave them experience in other aspects of the theater.

In February a program for a Parent-Teacher meeting was given. This consisted of humorous and dramatic declamations and a skit written and directed by one of the members.

It is hoped that the Dramatics Club will continue to grow and bring success and enjoyment to its members.

The Stamp Club

President	Robert Chase
Vice President	Francis Kosky
Secretary	Guerry Sharpe
Treasurer	Philip Argento

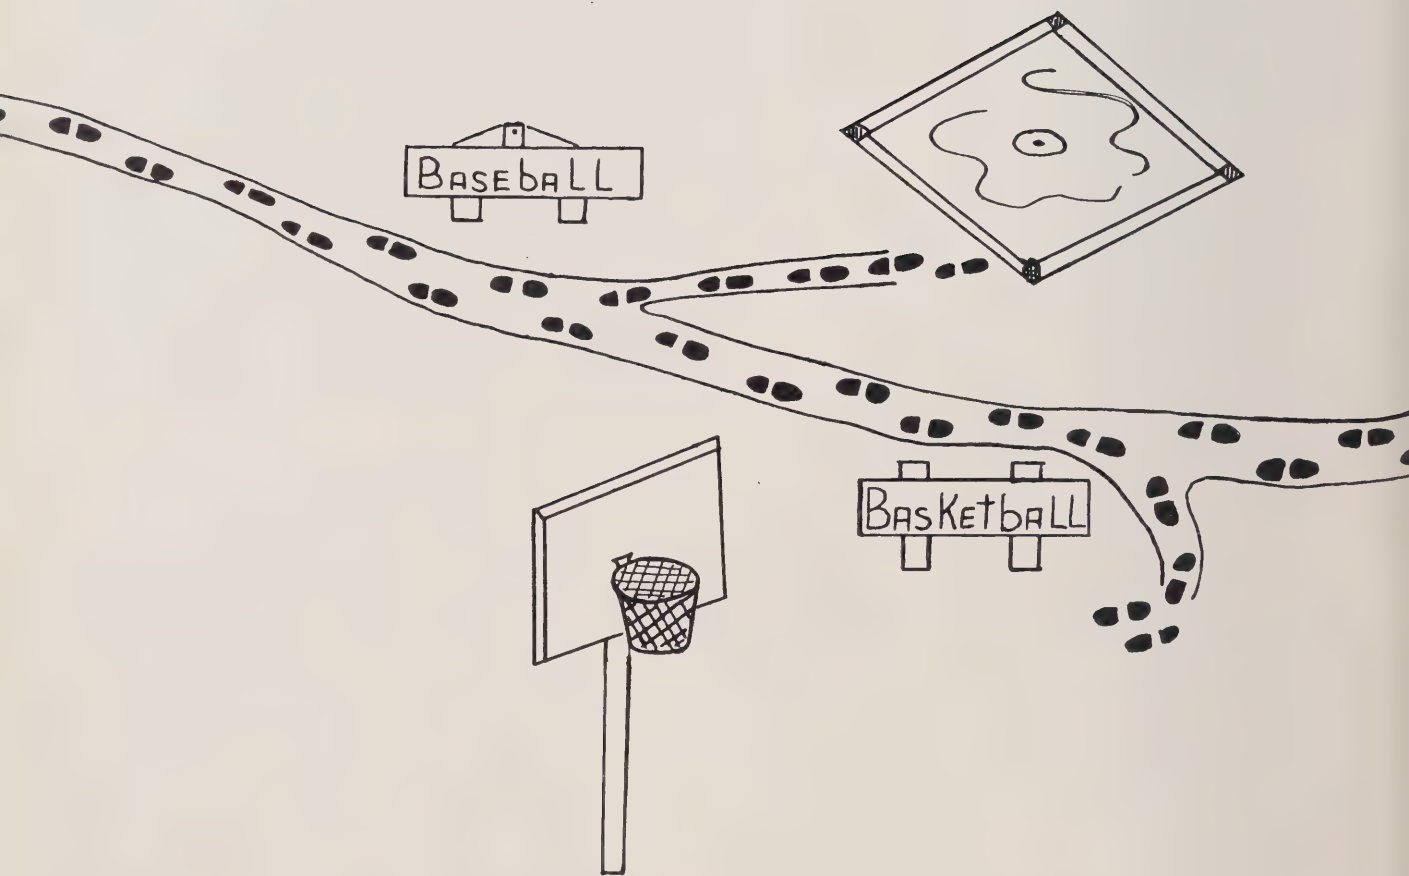

Though organized only last year, the Stamp Club is a very active organization. The Stamp Club is composed of nine members under the guidance of Miss Prouty. This worth-while organization not only broadens the students knowledge of the world but also develops skills in an excellent hobby.

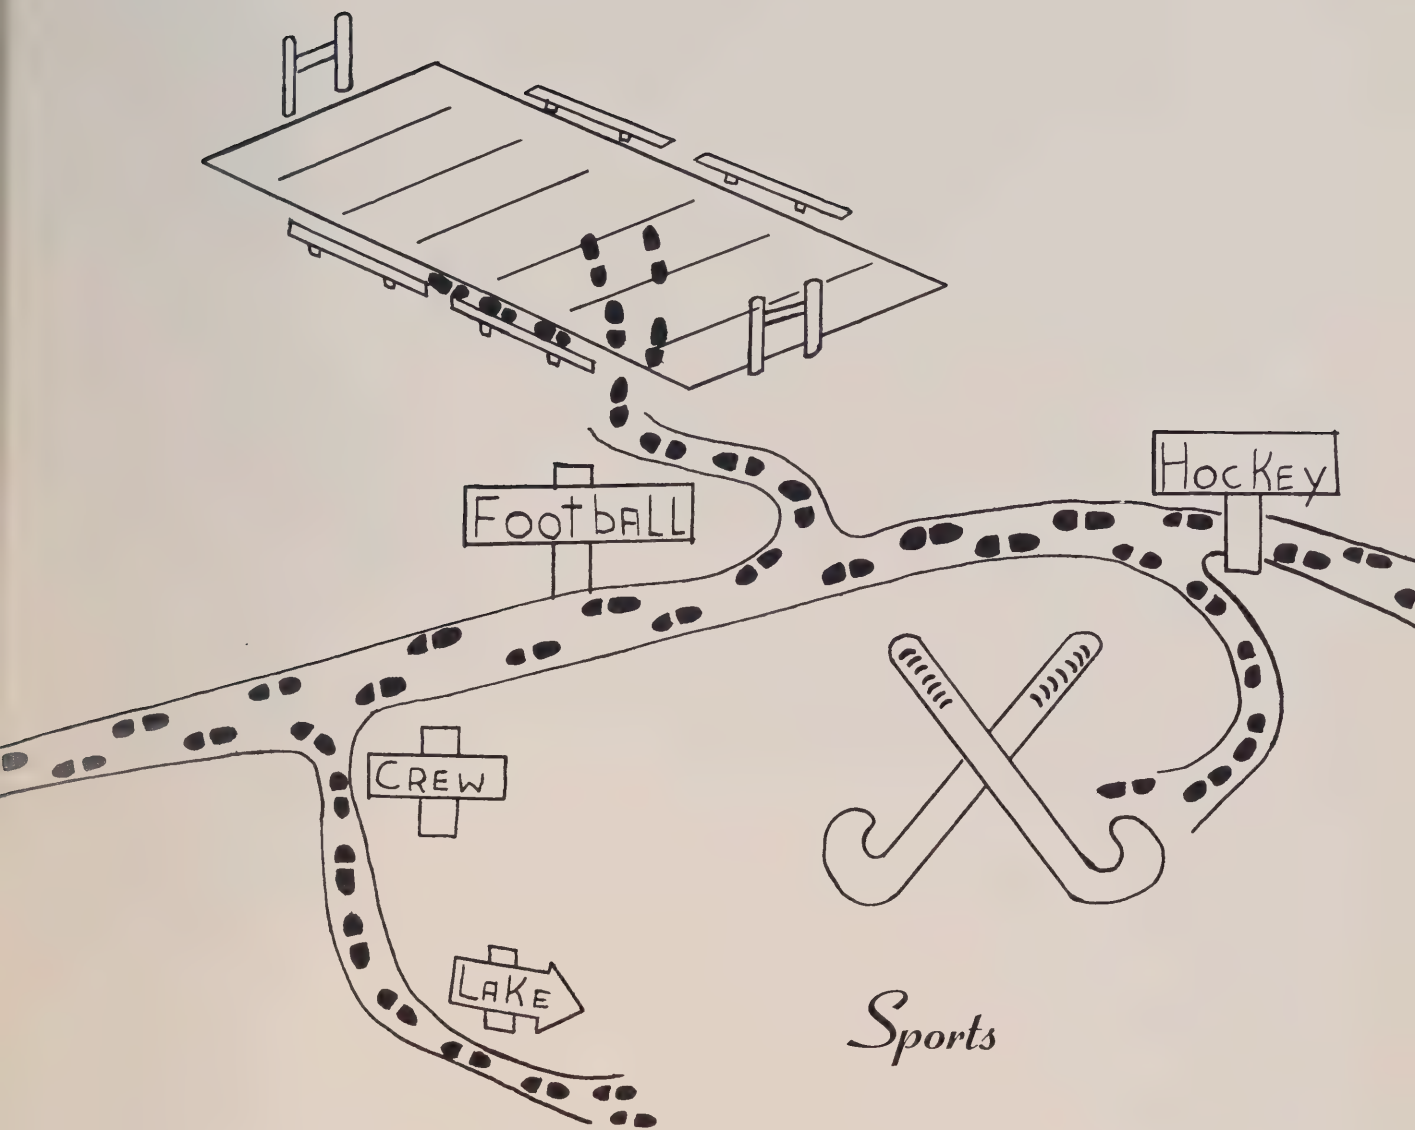

Bi-monthly meetings have been held at which time we have enjoyed a talk by our postmaster, Mr. Moroney; have had stamp swaps, an auction, and a display in the show case. The club receives three magazines on philately, weekly, and also has collected several stamp catalogues.

While our group is small, we have plans for future meetings which we believe will be interesting. We would like to have a larger and more active group next year.

SCHEDULE

Shrewsbury	2	Holden	0
Shrewsbury	1	Millbury	1
Shrewsbury	1	Hopedale	2
Shrewsbury	0	Holden	1
Shrewsbury	0	Millbury	2
Shrewsbury	2	Hopedale	0

The hockey team, led this year by Co-Captains Barbara Lougee and Sally Harrison, experienced a fair season of two wins, three losses and one tie. The win over their staunch rival Hopedale, however, made up for this record.

Florence Lecour, left inner, led the team with three goals followed by Joan Schwartz, left wing, with two. Jeanne Donaldson, center, tallied with one goal. The rest of the forward line consisted of Maryanne Michaud, right wing, and Debbie Rice, right inner. The forward line was backed up by Dawn Tuttle, left halfback, and Janet Parmenter, right half. A great deal of credit goes to those girls who defended the goal, Audrey Endicott and Barbara Lougee, fullbacks, and Barbara Sargent, our goalie.

Win or lose, the girls displayed fine sportsmanship and team spirit. Much of the credit goes to the team's able coach, Miss Chase. Credit also goes to the managers, Lois McWay and Judy O'Brien, who kept our locker room so spotless.

Next year's Co-Captains, who certainly deserve this honor, will be Barbara Sargent and Mary Riik.

First Row: B. MacKenzie, J. Schwartz, G. Claflin, A. Endicott, C. Flynn.
Second Row: Miss Chase, B. Lougee, M. Cook, N. White, N. Culver.
Third Row: J. Bresnahan, F. Bouchard, L. Banionis, S. Johnson.

Girls' Basketball

Coach	Miss Margaret Chase
Co-Captains	Joan Schwartz, Gayle Claflin
Managers	Nancy Culver, Diana Williams
	Carole Flynn, Ginger Dunn

The girls' basketball team encountered some hard luck this season by winning only one of their eleven games. Some of the games could have gone either way; they were lost by a matter of two or three baskets. With the expert coaching of Miss Chase the team never gave up hope.

The team was comprised of all seniors this year. On half of the court Gayle Claflin, center forward, called out plays to Audrey Endicott and Margery Cook. Barbara Lougee played center guard while Joan Schwartz and Nancy White played on the sides shifting back and forth in a zone defense.

The efforts of our managers this year to time, keep score, and assist in numerous ways were greatly appreciated by all the squad.

Our newly elected captains for next year are Frannie Bouchard and Joan Bresnahan, to whom we wish the best of luck for a successful season next year.

Girls' Softball

Coach Miss Margaret Chase

In the spring a familiar sight around S. H. S. is the girls' softball team. This year, with the expert coaching of Miss Chase, the team can look forward to a successful season. The girls have both experience and power which, combined with their team spirit and good sportsmanship produce a sound, well-balanced team. We all wish the girls the best of luck in their forthcoming season.

Cheerleaders

Captain Gayle Claffin
 Director Miss Phyllis Adams

Under the capable direction of Miss Phyllis Adams our squad this year was outstanding in their fine leading of the student body in cheers. Together with the band the girls displayed numerous and original snappy cheers.

The cheerleading season began this year when the girls elected for their captain. Gayle Claffin. The new cheerleaders chosen to add their pep to our spirited squad were Sally Johnson, from the junior class; Nancy Flynn and Nancy Pride, from the sophomore class. The rest of the squad consisted of Barbara Driscoll, Gail Anish, Arlene O'Brien, Janet Parmenter, and Gayle Claffin. Also, Carole Henderson was chosen as alternate to step in whenever one of the girls was unable to attend a game. Also this year, the squad elected "Phil" Berestrom as their mascot.

During the first weeks of the school year a successful record hop, "The Annual Cheerleaders Football Frolic" was held. Before the important games, pep assemblies were held for the purpose of incurring interest among the students and encouraging all to support the team by going to the games and cheering for the boys in victory or defeat. Next year's squad will be competently captained by Barbara Driscoll.

Football

ST. JOHN'S

The Shrewsbury High football team opened the season by defeating St. John's of Concord, N. H., 25 to 12 in the first game of the Lowell Jamboree. All around superiority in the line and backfield was evident throughout the entire game.

MARLBORO

The Colonials rolled over Marlboro 25 to 0 in the first home game of the season. The first team scoring four times in the first fifteen minutes of play saw no action in the second half.

AUBURN

The scene of the third game was at Dean Park where the Colonials took on a fine Auburn team. It was a hard fought battle ending in a 13-13 tie, although Shrewsbury had possession of the ball three-fourths of the time and statistically held a wide margin.

MILLBURY

Shrewsbury traveled to Millbury for their fourth game. Through the first three periods both teams displayed a fine defense. Then in the final period the Colonials exploded for three touchdowns to win by a score of 28 to 7.

HUDSON

The Colonials completely overwhelmed Hudson by a score of 33 to 0. In this game Shrewsbury displayed great ability in its line and backfield. Bruce Lamotte and Paul Kesseli, next year's Co-Captains, did a fine job.

MISSION

Mission High of Roxbury came down to Shrewsbury with the idea of whipping Shrewsbury. But when the dust cleared away the Colonials proved to everybody that they were State Champions. The score 33 to 0—Shrewsbury. Co-Captain Walt Londergan, Gerry Shelby and Dave Ryan showed superiority in playing the line.

UXBRIDGE

Shrewsbury won the Blackstone Valley Championship for the third straight year by defeating Uxbridge 34 to 0, Uxbridge being completely outclassed by the powerful Colonials.

NORTH

Shrewsbury suffered their first and only defeat of the season 14 to 13 to a powerful North High team which went on to win the Worcester Inter-High Championship. The Colonials again, as in many other games during the season, displayed its terrific fighting spirit by rallying to score twice in the final period.

ST. PETER'S

The Colonials, bouncing back after the game with North, trounced St. Peter's of Worcester 27 to 0 with Co-Captain Jack Monahan and Art Liljgren playing a fine game.

BOYS' BASKETBALL

First Row: R. Defino, T. Granger, Co-Captain; Mr. Kleminich, Coach; D. Ryan, Co-Captain; W. Londergan.

Second Row: Mr. Connelly, D. Firmin, R. Mitchell, G. Sklut, T. St. Pierre, A. Liljegren, R. Bates, R. Collamore, Mr. Bergstrom, Director of Athletics.

Boys' Basketball

Thus far this year the team has played ten league games. We have won seven and lost three and are in second place behind Auburn.

This year's team is captained by Tony Granger and David Ryan. Walt Londergan and Arthur Liljegren are the other two seniors.

We opened the league season against Northbridge and won 54-49. The next game, with Holden, was one of the most exciting games of the year. Trailing 40-22 at halftime, Shrewsbury put on a great rally and came on to win 56-55 in the last five seconds of play.

Shrewsbury lost their next game to Auburn in the last two minutes, 61-53. Victories over Uxbridge and Millbury (the latter a "nip and tuck" affair which was won in the last seconds of play also 56-54 on a long set shot by Co-Captain Granger).

The closeness of the last game affected the team's play in their game with Grafton and were beaten 50-43. Shrewsbury bounced back against Westboro with a convincing 73-52 victory, sparked by Walt Londergan with thirty points. Northbridge was an easy mark, 63-38. Shrewsbury and Holden were tied for second place as they met for the second time. Shrewsbury won a hotly contested game 61-59, which gave them the right to compete in the annual Clark Tournament.

The fact that the team was improving gives us high hopes of bringing home the bacon in the tournament. The team is coached by Michael Kleminich, who took over the reins after Coach Bergstrom became too ill to coach. Mr. Kleminich has done a commendable job under such short notice.

As a final tribute to their year's work, the team placed first in the Clark Invitational Tournament. It was the first time that a Shrewsbury team had ever won it. A week later the team won consolation honors in the Assumption Tournament. The team's final record was 17-6, which was the most games any Shrewsbury team had ever won.

CREW

From Left: W. Londergan, J. Shelby, T. Savastano, R. Sargent, W. Wood, W. Cote, P. Doyle, D. Firmin.
Front: J. Revelli.

Crew

Each year as spring fever hits Shrewsbury, the Colonial "Blade Pushers" hit the water to prepare for the impending season.

Because of the lack of equipment to facilitate the participation of more candidates, many have fallen by the wayside, causing Shrewsbury to have too few substitutes.

The six returning veteran oarsmen, together with the expert coaching of Chief Kenneth F. Burns, will be the nucleus of a very fine looking crew.

The crew schedule includes:

April 24	New York
May 1	Kent School
May 8	Yale
May 15	New England Schoolboy
May 22	Stokesburg Cup
May 28 and 29	National Schoolboy

Mr. Burns also has hopes of taking his crew to the Canadian Henley, July 25th.

First Row: R. DeCoteau, A. Liljegren, A. Granger, D. Ryan, E. Vigliatura, R. Franchi.

Second Row: J. Abdella, R. Bates, T. St. Pierre, R. Mitchell, F. DiStefano, R. Whittier, R. Collamore.

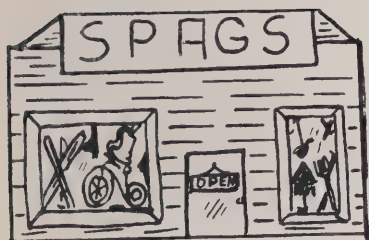

Third Row: Coach Mr. William Donovan, R. Defino, J. Carmody, R. Whittle, J. Welch, A. French, F. Bisceglia, Manager.

Boys' Baseball

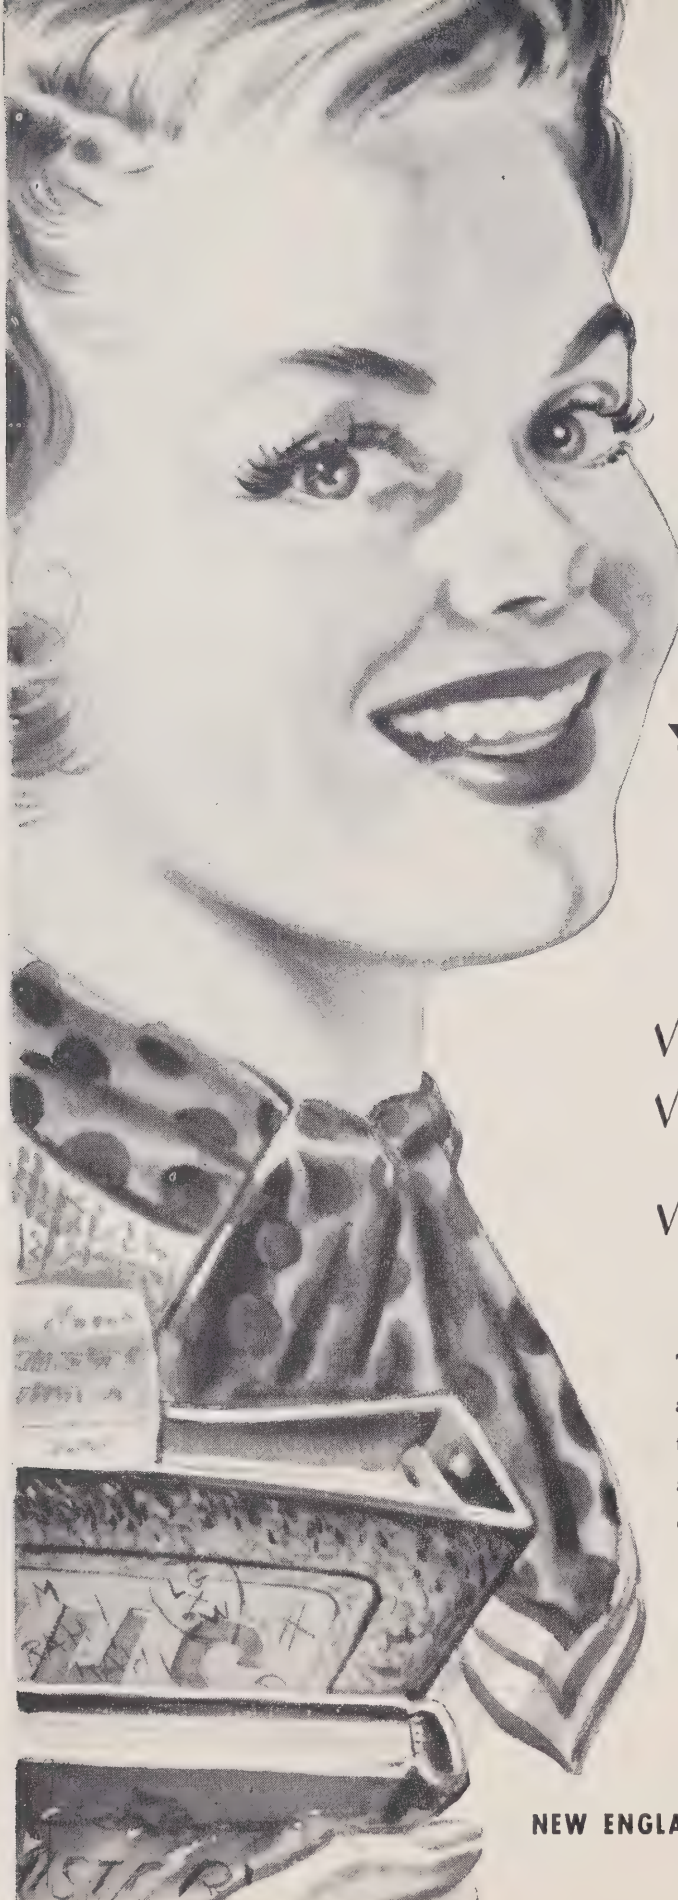

This year's baseball team, under the able coaching of Mr. Donovan, can well look forward to a successful season. The team, both experienced and well-balanced, features a strong pitching staff and a powerful batting order. Over all, the Colonials look to be the best in the Blackstone Valley League and should bring home another trophy. Best of luck, boys.
